LET'S TALK BENEFITS

At The William and Flora Hewlett Foundation, we value your contributions to our shared success and want to provide you with a benefits package that protects your health and helps your financial security, now and in the future. We continually look for valuable benefits that support your needs, whether you are single, married, raising a family, or thinking ahead to retirement. We are committed to giving you the resources you need to understand your options and how your choices could affect you financially.

This guide is an overview and does not provide a complete description of all benefit provisions. For more detailed information, please refer to your plan benefit booklets or summary plan descriptions (SPDs). The plan benefit booklets determine how all benefits are paid.

A list of plan contacts is included at the back of this guide.

The benefits in this summary are effective:

January 1, 2019 - December 31, 2019

Eligibility & Enrollment

WHO IS ELIGIBLE?

In general, full-time employees working at least 24 hours per week are eligible for the benefits outlined in this overview. In order to comply with the Affordable Care Act (ACA), The William and Flora Hewlett Foundation generally determines your eligibility for medical coverage using the Monthly Measurement Method. Refer to the Monthly Measurement Method section of this guide for additional.

You can enroll the following family members in our medical, dental and vision plans.

- Your spouse (the person who you are legally married to under state law, including a same-sex spouse.)
- Your same or opposite sex domestic partner. The Cost of Coverage section explains the tax treatment of domestic partner coverage.
- Your children (including your domestic partner's children):
 - o Under age 26. They do not have to live with you or be enrolled in school. They can be married and/or living and working on their own.
 - o Over age 26 ONLY if they are incapacitated due to a disability and primarily dependent on you for support.
 - o Named in a Qualified Medical Child Support Order (QMCSO) as defined by federal law.

Please refer to the Summary Plan Description for complete details on how benefits eligibility is determined.

WHO IS NOT ELIGIBLE?

Family members who are not eligible for coverage include (but are not limited to):

- Parents, grandparents, and siblings.
- Any dependent who is a covered employee of the William and Flora Hewlett Foundation.
- Employees who work less than 24 hours per week, temporary employees, contract employees, or employees residing outside the United States.

ENROLLMENT PERIODS

Coverage for new eligible employees begins on your date of hire. New employees who do not make an election within 30 days of becoming eligible will automatically be enrolled for single coverage in the Anthem High Deductible Health Plan (HDHP).

After that, Open Enrollment is the one time each year that you can make changes to your benefit elections without a qualifying life event.

Notify Human Resources within 31 days if you have a qualifying life event and need to add or you're your dependents outside of Open Enrollment. Life events include (but are not limited to):

- Birth or adoption of a baby or child
- Loss of other healthcare coverage
- Eligibility for new healthcare coverage
- Marriage or divorce

Medical

Medical coverage provides you with benefits that help keep you healthy, like preventive care screenings and access to urgent care. It also provides important financial protection if you have a serious medical condition.

Please note that if you do not choose a plan or waive coverage, you will automatically be enrolled in the Anthem High Deductible Health Plan (HDHP). Below is an overview.

Speak to or video chat with a licensed Anthem Blue Cross or Kaiser physician using your smartphone or tablet. Virtual doctor visits are a modern convenience for anyone who wants or needs on-demand medical advice from any location, at any time of the day or night. Through these virtual visits, physicians can treat a host of common illnesses quickly and effectively using a real-time video visit and even send prescription orders to your local pharmacy for pickup.

Anthem Blue Cross: LiveHealth Online

Telemedicine visits through the LiveHealth Online are as little as \$49 per visit before your deductible is met. To get started register at livehealthonline.com or download the mobile app and sign up.

Kaiser: VIDEO VISITS

Kaiser's video visits available to members with no charge. To get started visit kp.org/mydoctor/videovisits or download the My Doctor Online app.

Dental

Regular visits to your dentist can protect your health. For example, recent studies have linked gum disease to damage elsewhere in the body. Dentists are able to screen for oral symptoms of many other diseases including cancer, diabetes, and heart disease.

The foundation provides you with comprehensive coverage through Delta Dental.

Health Savings Account (HSA)

A Health Savings Account (HSA) is a tax-advantaged, portable (you own it!) savings account that can help you save money on taxes. The foundation offers an HSA through Bank of America. You must be enrolled in the Anthem High Deductible Health Plan (HDHP) in order to contribute to the HSA, and you may not be covered by any other non-HDHP.

The foundation and you (if you choose to) may contribute pre-tax to your HSA to save for out-of-pocket healthcare expenses. Any money that you don't spend grows year after year and can be used in the future, even after you retire. You may access your Bank of America HSA by calling **(800) 718-6710** or online at myhealth.bankofamerica.com.

ACCOUNT CONTRIBUTIONS

	Foundation Contributes	You Can Contribute*
Employee	Up to \$1,750 per calendar year	2019: \$3,500 less employer contribution
Employee + Family	Up to \$3,500 per calendar year	2019: \$7,000 less employer contribution
Catch Up Contributions		An additional \$1,000 per year at age 55+

*Contribution limits set by the IRS

USING YOUR MONEY

You can use your account to pay for qualified healthcare expenses that are not paid for by your high deductible health plan (HDHP). In general, your HSA can be used for the following expenses:

- Medically necessary expenses that are not covered by your health plan including deductibles and coinsurance
- Dental care services
- Vision care services
- Prescription drugs
- Over-the-counter (OTC) medications prescribed by your doctor
- Certain medical equipment

When possible, use your HSA debit card to pay for expenses. If you need reimbursement, take your HSA debit card to any bank and request a cash advance. Make sure that you keep records of your receipts and any OTC prescriptions in case the IRS requests them.

ELIGIBILITY

You are not eligible to open or contribute to an HSA if you are:

- Covered by a non-high deductible health plan
- Enrolled in a regular healthcare flexible spending account (you or your spouse count)
- Covered under Medicare, Medicaid or Tricare
- Someone else's tax dependent

Non-Qualified Expenses

If you use HSA funds for non-qualified expenses before you are age 65, you will owe a 20% penalty tax PLUS income tax on the withdrawal. After age 65, if you use HSA funds for non-qualified expenses, you will owe income tax only.

Flexible Spending Account (FSA)

A Flexible Spending Account lets you set aside money—before it's taxed—through payroll deductions. The money can be used for eligible healthcare and dependent day care expenses you and your family expect to have over the next year. **You must re-enroll in this program each year.** Navia Benefit Solutions administers this program.

IMPORTANT CONSIDERATIONS

- There's no "crossover" spending allowed between the healthcare and dependent care accounts.
- **Healthcare FSA Expenses** must be incurred between 1/1/2019 and 3/15/2020 and submitted for reimbursement no later than 3/31/2020.
- **Dependent care FSA Expenses** must be incurred between 1/1/2019 and 12/31/2019 and submitted for reimbursement no later than 3/31/2020.
- Elections cannot be changed during the plan year, unless you have a qualified change in family status (and the election change must be consistent with the event).
- If you are enrolled in a High Deductible Health Plan (HDHP) and contribute to a Health Savings Account (HSA) you cannot participate in the FSA.
- Unused amounts will be lost at the end of the plan year, so it is very important that you plan carefully before making your election.
- FSA funds can be used for you, your spouse, and your tax dependents only.
- You cannot obtain reimbursement for eligible expenses for a domestic partner or their children, unless they qualify as your tax dependents (Important: questions about the tax status of your dependents should be addressed with your tax advisor).
- Keep your receipts as proof that your expenses were eligible for IRS purposes.

Eligible expenses include medical, dental, and vision costs including plan deductibles, copays, coinsurance amounts, and other non-covered healthcare costs for you and your tax dependents. You may access your entire annual election from the first day of the plan year and you can set aside up to \$2,650 for 2018 (may be indexed annually per the IRS).

TAX-FREE DEPENDENT CARE FSA

Eligible expenses may include daycare centers, in-home child care, and before or after school care for your dependent children under age 13. Other individuals may qualify if they are your tax dependent and are incapable of self-care. It is important to note that you can access money only after it is placed into your dependent care FSA.

All caregivers must have a tax ID or Social Security number. This information must be included on your federal tax return. If you use the dependent care reimbursement account, the IRS will not allow you to claim a dependent care credit for reimbursed expenses. Consult your tax advisor to determine whether you should enroll in this plan. You can set aside up to \$5,000 per household for eligible dependent care expenses for the calendar year.

TAX-FREE HEALTHCARE FSA

If you have loved ones who depend on your income for support, having life and accidental death insurance can help protect your family's financial security and pay for large expenses such as housing and education, as well as day-to-day living expenses.

LIFE AND AD&D

Basic Life Insurance pays your beneficiary a lump sum if you die. AD&D provides another layer of benefits to either you or your beneficiary if you suffer from loss of a limb, speech, sight, or hearing, or if you die in an accident. The cost of coverage is paid in full by the foundation.

Taxes: A life insurance benefit of \$50,000 or more is a taxable benefit. You will see the value of the benefit included in your taxable income on your paycheck and W-2.

VOLUNTARY LIFE AND AD&D

Voluntary Life and AD&D Insurance allows you to purchase additional coverage to protect your family's financial security.

Coverage is provided by Cigna.

Child(ren) Voluntary Life and AD&D Amount	Any multiple of \$2,000 up to \$10,000

Evidence of Insurability: If you select a coverage amount above a certain limit or enroll after your hire period, you will need to submit an Evidence of Insurability form with additional information about your health in order for the insurance company to approve your coverage.

Disability Insurance

If you become disabled and cannot work, your financial security may be at risk. Protecting your income stream can provide you and your family with peace of mind. Coverage is provided by Cigna.

SHORT-TERM DISABILITY INSURANCE

Short-Term Disability coverage pays you a benefit if you temporarily can't work because of an injury, illness, or maternity leave. Benefits may be reduced by income from other income sources such as paid time off. Your doctor and the insurance company will work together to determine how long benefits are payable, based on your condition.

Weekly Benefit Amount	Plan pays 66.67% of weekly salary
Maximum Weekly Benefit	\$2,300
Benefits Begin After:	
Accident	7 days of disability
Sickness	7 days of disability
Maximum Payment Period*	25 weeks

*Maximum payment period is based on the first day you are disabled, not when benefits begin.

LONG-TERM DISABILITY INSURANCE

Long-Term Disability (LTD) coverage pays you a certain percentage of your income if you can't work because an injury or illness prevents you from performing any of your job functions for an extended period of time. It's important to know that benefits are reduced by income from other benefits you might receive while disabled, like workers' compensation and Social Security.

Monthly Benefit Amount	Plan pays 66.67% of monthly salary
Maximum Monthly Benefit	\$10,000
Benefits Begin After:	
Accident	180 days of disability

The William and Flora Hewlett Foundation pays for the full cost of coverage for basic Life, AD&D, STD, and LTD coverage. You share in the cost of coverage for other plans and coverage levels.

In general, you pay for health coverage before federal, state, and social security taxes are withheld, so you pay less in taxes. Please note that unless your domestic partner is your tax dependent as defined by the IRS, contributions for domestic partner coverage must be made after-tax. Similarly, the company contribution toward coverage for your domestic partner and his/her dependents will be reported as taxable income on your W-2. Contact your tax advisor for more details on how this tax treatment applies to you. Notify HR if your domestic partner is your tax dependent.

MONTHLY MEASUREMENT METHOD

You and your dependents are eligible for the plan if you are a full-time employee. A full-time employee is generally an employee who works on average 130 hours per month, as defined by the Affordable Care Act (ACA). Hours that count toward full-time status include each hour for which an employee is paid or entitled to payment for the performance of duties for the employer, and each hour for which an employee is paid or entitled to payment for a period of time during which no duties are performed due to vacation, holiday, illness, incapacity (including disability), layoff, jury duty, military duty, or leave of absence.

ACA full-time status can affect or determine major medical benefits eligibility but is not a guarantee of benefits eligibility. The William and Flora Hewlett Foundation uses the monthly measurement method to determine whether an employee meets this eligibility threshold
